than any other.. Guardian Management, LLC greatly appreciates our relationship with you and is If the existing vinyl floor was  
installed over concrete and is glued down firmly, you should be able to tile right over it without any problem.. Can I lay ceramic  
tile over vinyl tile in my kitchen? I really don't want to pull up the vinyl.. Scrub the floor first to remove any dirt and grease then  
apply a bed of thin- set mortar and tile.. It seems like everyone wants to know what to do when they replace the floor in their  
kitchen or bath.. com South Carolina Contractors Licenses (SC) Virtually every aspect of Construction, Electrical, Plumbing
